#### WOULD YOU LIKE MORE INFORMATION?

Send us an email [sales@guardianfencing.co.nz](mailto:sales@guardianfencing.co.nz) or contact your local [Hardware store](#)

This tool is for an estimating purposes only and exact components required are based on general measurements and no liability held.  
Note: For less typical installations (ie. those requiring more than 4 sides, non-90 degree corners, sloping sites, mixed surfaces etc) we suggest contacting us directly to discuss your requirements. Check Local Regulatory Requirements: Before installing your pool fence or balustrade check information provided by your local council to ensure it complies with any local by-laws.
